There She Goes

The Getaway People

Small town girl goes west
'Cause she thinks it's the only way to stay alive
Now, she knows best who's who 'n' who's not
Who's hot and who's the more flyNow when she stands before you
And you're trying to conversate
What you don't know is she's scanning the room
For a bigger fish to swallow the baitNow stepping stones and licking bones and cast them all aside
I wonder what she's looking for tonightThere she goes again
Slippin' and slidin', duckin' and divin'
There she goes again
Tryin' all the new stuff, tryin' to be flyThere she goes again
Slippin' and slidin', duckin' and divin'
There she goes again
Tryin' to be a new star, tryin' to get highAll decked out in her designer clothes
'Cause she's shootin' from the hip with a credit card
Everybody thinks she's a little bit old
But you can't take long on an eyesoreDrivin' in a beamer with the top down
Sunset queen in a big town
If you don't pay she'll go out of your way
Yeah, you don't want her hanging aroundNow a stick and stone may break the bone, but it don't quench the fire
I wonder what she's looking for tonightThere she goes again
Slippin' and slidin', duckin' and divin'
There she goes again
Tryin' all the new stuff, tryin' to be flyThere she goes again
Slippin' and slidin', duckin' and divin'
There she goes again
Tryin' to be the new star, tryin' to get highNow stepping stones and licking bones and cast them all aside
I wonder what she's looking for tonightAnd there she goes again
There she goes again
There she goes again
There she goes againThere she goes again
Slippin' and slidin', duckin' and divin'
There she goes again
Tryin' all the new stuff, tryin' to be flyThere she goes again
Slippin' and slidin', duckin' and divin'
There she goes again
Tryin' to be the new star, tryin' to get highNow, she is so highShe is so high
She is so high
She is so high
