Heart Tattoo

Joyce Manor

I want a heart tattoo
I want it to hurt really bad
That's how I'll know
I'll know it's real
A real tattooI wanna say "what's up dad?"
Who knows how you'd feel about that
What do you want me to say?
It's never going away
My heart tattooThat's what I'll
That's what I'll do
I'll get a heart
A heart tattooI want a heart tattoo
I'll never get it removed
That's how I'll know
I'll know it's real
A real tattooI know that it looks bad
But it's the only one I have
What do you want me to say?
It's never going away
My heart tattooThat's what I'll
That's what I'll do
I'll get a heart
A heart tattoo
(I know that it looks bad)
A heart tattoo
(But it's the only one I have)
A heart tattoo
(I know that it looks bad)
A heart tattoo
(I know)
