

# Ears to the Ground

**Josh Rouse**

Ears to the ground, ears to the ground  
Just waiting for the sound of footsteps  
Wheels to the road, wheels to the road  
Hoping this will be my last stop  
Abuse my heart for it's all I've left  
Leading me on this is what I get  
Just waiting for the sound of footsteps  
I've give all everything is spent  
Hang up a sign reading room for rent  
Just waiting for the sound of footsteps  
I'm waiting for the sound
