Go to Sleep

13ghosts

All I found in the bed
Was shocking, lurid, and unkind
And if I wake up dead,
I know that God is on my side.

There'll be no loneliness inside me
Inside of me
I am free

Please don't turn on the light
Some things I don't want you to see
This thing that I've become
Will find a way to swallow me

And when the time has come to shine right,
Rise and shine
I am free...
