

# Go to Sleep

## 13ghosts

All I found in the bed  
Was shocking, lurid, and unkind  
And if I wake up dead,  
I know that God is on my side.

There'll be no loneliness inside me  
Inside of me  
I am free

Please don't turn on the light  
Some things I don't want you to see  
This thing that I've become  
Will find a way to swallow me

And when the time has come to shine right,  
Rise and shine  
I am free...

---
