

Mohair Sam

Charlie Rich

Well - who is the hippie that's happenin' all over our town?

Tearin' up chicks with the message that he lays down

Who is the coolest guy, what is, what am?

That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam
Chicks are makin' reservations for his lovin' so fine
(so fine)

Screamin' and shoutin' he's got 'em all waitin' in line

Who is the coolest guy, what is, what am?

That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam
Who is the hippie that's happenin' all over our
town?

Tearin' up chicks with the message that he lays down

Who is the coolest guy, what is, what am?

That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam
