

Straight to Video (s2v Acapella)

Mindless Self Indulgence

All aboard
Hit the road
All the bullshit
Can't be ignored
It's hard to place
In my face
No emotion All the problems make me wanna go
Like a bad girl straight to video
Little darling welcome to the show
You're a failure played in stereo Hidey-ho
Here we go
No solution
Strong undertow
Quite unfair
Quite a pair
No box office All the problems make me wanna go
Like a bad girl straight to video
Little darling welcome to the show
You're a failure played in stereo I never noticed
No, never noticed
You're so amazing
So a-amazing I never noticed
No, never noticed
You're so amazing
So a-amazing All aboard
Hit the road
All aboard
Here we go All the problems make me wanna go
Like a bad girl straight to video
Little darling welcome to the show
You're a failure played in stereo I never noticed
No, never noticed
You're so amazing
So a-amazing
I never said it
No, never said it
You're suffocating
Suffocating
I never noticed

No, never noticed
Your beauty's fading
It's f-f-fading
