Trina, Rick Ross, Hot Box inside of you I got a fat pussy for a cocksucker

I got an escalade no you can't touch it  
I got a couple blocks up in Georgia nigga  
I got a lil' brother cookin' quarters nigga I got a couple girls who gon' come fuck  
I gotta see the money time to come up  
I gotta keep it real with my hustler hoes  
I got a pump or two, who gon' boost them clothes I gotta get mine, girl, you gotta get yours  
I gotta get mine, boy, you gotta get yours  
I gotta get mine, girl, you gotta get yours  
I gotta get mine, boy, you gotta get yours I gots no love for a punk bitch  
I gotta cuss her out to make her suck dick  
I got a dildo in this bag baby  
I got a lil' somethin' for that ass baby I know you, pay hoes cause I heard you did  
I got a headhunter that'll serve you quick  
I got a team of hoes you ain't seen befo'  
With green to blow, sick with cash and cream fo' sho' I gotta fuck 'em all just cause I can

You gotta give it to the nigga who wrote those bars  
I got a check in the mail that you couldn't believe  
Now I got a Roley for 80 G's under my sleeve I gotta let you hoes know who I be  
So instead of sayin' Rick Ross I just pull out B's  
I got a, trap in the hood called no ID  
All my weed guaranteed, maybe fo' five seeds I gotta put it down in a major way  
I gotta put y'all down with this game I play  
I gotta get my pussy ate like everyday  
Bring the present with the cake in ya escalade I gotta get mine, girl, you gotta get yours  
I gotta get mine, boy, you gotta get yours

I got a couple stacks that'll solve him niggaI gotta show my nigga love  
'Cause he my nigga what, now hold yo' triggers up  
Ain't nuttin' in this game is as big as us  
If it is, you can tell 'em, we don't give a fuckI gotta hit 'em hard like Ronnie Lott  
Defended by Johnny Coch' cartel on the block
