

# Bull In A China Shop

## Grace Potter & The Nocturnals

You? re making a scene  
You? re out of line  
You? re rocking the boat  
Stepping out of time They may think you? re crazy  
But I think you? re alright  
So let? s you and me kick it up tonight  
Like a bull in a China shop  
Bull in a China shop
