Chinese Jade

Harper Simon

I remember you in a hotel lobby
You were staying with the band
I remember you in Little Ethiopia
With a wine glass in your handSatin Doll
Satin Doll
Sequins and Chinese jade
Satin DollThey just love a little lipstick and powder 'round here
They love a little summer dress
They don't care about the state of the union
They don't mind if you're a mess
You can stay if you want
Satin Doll
Satin Doll
Sequins and Chinese jade
Satin DollLittle girl, you got the weight of the world on ya
If you ever need a friend
To help you work through all the empty promise
I might be on the road again
But you can give me a call
Satin Doll
Satin Doll
Sequins and Chinese jade
Satin Doll
