# Still Down (remix)

## Ashanti

[Cadillac Talking][Ashanti]See you might think it's so easy to be me
And live this life I live
But they can't see all this pain that I went through
And that's just how I'm built
'cause they can't
Ever take away my shine
'cause they can't
Ever take away my pride
And I won't hide behind no tears
It's what I know
'cause I'm still here
[Chorus]Now tell me are you down
Down for a girl like me
'cause I don't wanna be
Just another memory
Said tell me are you down

Down for a girl like me
'cause I don't wanna be
Just another memory
[Ashanti]Now something that I don't deserve on my status
As if I didn't sweat, blood and tears to have it
And grab this so I don't know why they mad at
And blast it 'cause me and my team we make magic
So Ima keep smilin, my minds, my focus I played
Just to win with this pad and this pen and this musical
army, behind me, we won't stop, we can't stop
See it'll never rain
[Chorus][Cadillac Tah][Chorus][Cadillac Talking]Murda INC
