Detective

Esham

Peek in, sneak about

Peek in, sneak about

Peek in, sneak about

You're broken hearted detectiveHey girl, save the liar

Can't you see his pants on fire?

Hey girl, save the liar

Can't you see his pants on fire? My back, it hurts again

It aches like history

Cotton mouth and all lit up

You're smiling back at meBut I feel you must have failed me

Once again you've let me down

My confidence below my knees

Now I need to find you outPeek in, sneak about

I'm gonna snoop and call you out

I caught you, your hands are red

Now I'm your broken hearted detectiveHey lover, why the gun?

Hold on, I'm almost there

It's too late, you've killed the trust

Don't act so unawareSo why are you so destructive?

Do you realize what you've done?

You can't bring it back to life now

What are you running from? Peek in, sneak about

I'm gonna snoop and call you out

I caught you, your hands are red

Now I'm your broken hearted detective I don't like the way I feel

I just want you to be realHey girl, save the liar

Can't you see his pants on fire?

Hey girl, save the liar

Can't you see his pants on fire?I'm rummaging through your closet

Imagining all the worst thoughtsPeek in, sneak about

I'm gonna snoop and call you out

I caught you, your hands are red

Now I'm your broken hearted detectivePeek in, sneak about

I'm gonna snoop and call you out

I caught you, your hands are red

Now I'm your broken hearted detectivePeek in, peek in

Peek in, peek inPeek in, sneak about

I'm gonna snoop and call you out

I caught you, your hands are red

Now I'm your broken hearted detective
