

# Jesamine

## The Casuals

What am I supposed to do  
With a girl like Jesamine?  
Though my eyes are open wide  
She's made my life a dream

When Jesamine goes, a part of me knows  
I'm not really living  
A butterfly child, so free and so wild  
And so full of living

When Jesamine stays  
Though time goes fast  
This is my world at last  
Beautiful days lost in her eyes  
But then the whole world dies

When Jesamine goes, a part of me knows  
I'm not really living  
A butterfly child, so free and so wild  
And so full of living

What can you say  
When a girl doesn't want to know  
She's too far away  
And she makes my life a dream

When Jesamine goes, a part of me knows  
I'm not really living  
A butterfly child, so free and so wild  
And so full of living

When Jesamine stays  
Though time goes fast  
This is my world at last  
Beautiful days lost in her eyes  
But then the whole world dies

What am I supposed to do, (what can you say)  
With a girl like Jesamine? (When a girl doesn't want to know)  
Though my eyes are open wide (she's too far away)

And she makes my life a dream

When Jesamine goes, a part of me knows  
I'm not really living

When Jesamine goes, a part of me knows
