

I Gotcha

Case

Don't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha babeGirl, you know that I am someone you can count on
When things get rough, when things get tough
I'll be there when no one else is around
So don't ever let me down and I don't want to see you frownDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha babeAlways I'll be with you through the thick and thin
And all the other things you feel within
Always I will try, so now I think it's time
And now I'm gonna make you mineGirl, you know that I am someone you can count on
When things get rough, when things get down
I don't want to fuss and fight I just want to make it right
Loving you is all I wanna do, babyDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeOh hey, I don't want to fuss and fight
I just want to make it right
Ah, oh, see when no one else is there
I'll be standing by your sideDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing

'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babeDon't worry 'bout a thing
My love is on the way
Don't worry 'bout a thing
'Cuz I gotcha, babe
