In Transit (for You)

Matchbook Romance

Dream baby for me
I'll be waiting here for you
Pack your things, fly to me
Scatter me across the sky
I'll shine all night
And just like a star
I'll fall for you
Baby if you want me to
I'd do anything for you
Just say the words and I'd give you the world
Yeah, but that's not good enough
Starlit sea will be our dance floor
And birds will sing our song

And your scars, your scars will heal
For You
Baby if you want me to
I'd do anything for you
And just say the words, and I'd give you the world
Yeah, but that's not good enough
And Baby if you wanted me to, why not say so
Let me go cause I cant shine bright enough for you
I shine for you
I fall
Dream baby for me
I'll be waiting here for you
