

Drowned Out

Sepultura

He just takes what's his
He never see an end
Build a wall of selfishness
To block out all your fears I can't forget, I won't forget
I can't forget, I won't forget
You don't owe me shit Never any remorse, never any remorse
Always turning your back
Drowned out, drowned out There's no compromise
Only hate inside
I decided long ago
I would never be so blind I can't forget, I won't forget
I can't forget, I won't forget Never any remorse, never any remorse
Always turning your back
Drowned out, drowned out You don't shit!
So don't shit!
You don't make shit
