

Rock Star (Nevins Classic Club Blaster)

N*E*R*D

fuckin posers-

yo yo yeah(4x)

uh

yeah

Fuckin' posers

It's almost over now

It's almost over now

for ya fuckin posers

yeah

its almost over now

almost over now

You think the way you lives okay

You think posing

Will save the day

You think we don't see

That you're running

Better call your boys

'Cause I'm coming

[Chorus]

You can't be me

I'm a Rock Star

I'm rhyming on the top of a cop car

I'm a rebel and my .44 pops far

It's almost over now

It's almost over now

guess

You ain't heard that we swallow guys

It's too damn late to apologize

Will you see the mantle or will you see the skies

It's almost over now

It's almost over now

You think that you don't have to ever quit

You think that you can get away with it

You think the light won't be ever lit

It's almost over now

Almost over now

Something's on your chest

Better get it off

There'll be no one left when we set it off

We ain't gonna take it no more

Since

It's almost over now

Almost over now

You had plenty of time

There was no rush

But it was your dream to be like us

You're in dreamland so you don't care

And as you wait(im standing there,im standing there mother fucker)

we're standing there

You can't be me

I'm a Rock Star

I'm rhyming on the top of a cop car

I'm a rebel and my .44 pops far

It's almost over now

It's almost over now

i guess

You ain't heard that we swallow guys

It's too damn late to apologize

Will you see the mantle or will you see the skies

It's almost over now

It's almost over now

You think that you don't have to ever quit

You think that you can get away with it

You think the light won't be ever lit

It's almost over now

Almost over now

Something's on your chest
Better get it off
There'll be no one left when we set it off
We ain't gonna take it no more
Since

It's almost over now
Almost over now

You don't succeed cause you hesitate
You think we're fly
But we levitate
Just be yourself
Don't ask us why
'Cause if you don't we'll make you fly

You can't be me
I'm a Rock Star
I'm rhyming on the top of a cop car
I'm a rebel and my .44 pops far

It's almost over now
It's almost over now

i guess
You ain't heard that we swallow guys
It's too damn late to apologize
Will you see the mantle or will you see the skies

It's almost over now
It's almost over now

You think that you don't have to ever quit
You think that you can get away with it

You think the light won't be ever lit

It's almost over now
Almost over now

Something's on your chest
Better get it off
There'll be no one left when we set it off
We ain't gonna take it no more

Since

It's almost over now

Almost over now

You can't be me

I'm a Rock Star

I'm rhyming on the top of a cop car

I'm a rebel and my .44 pops far

It's almost over now

It's almost over now

i guess

You ain't heard that we swallow guys

It's too damn late to apologize

Will you see the mantle or will you see the skies

It's almost over now

It's almost over now

You think that you don't have to ever quit

You think that you can get away with it

You think the light won't be ever lit

It's almost over now

Almost over now

Something's on your chest

Better get it off

There'll be no one left when we set it off

We ain't gonna take it no more

Since

It's almost over now

its Almost over now

no on ever really dies

you believe that?

well,if not,for you,

its almost over now

almost over now

no on ever really dies
