Do They Know Its Christmas

Band Aid II

It's Christmastime
There's no need to be afraid
At Christmastime
We let in light and we banish shade

And in our world of plenty
We can spread a smile of joy
Throw your arms around the world at Christmastime

But say a prayer
Pray for the other ones
At Christmastime
It's hard but when you're having fun
There's a world outside your window
And it's a world of dread and fear
Where the only water flowing is
The bitter sting of tears
And the Christmas bells that ring there
Are the clanging chimes of doom
Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmastime
The greatest gift they'll get this year is life
Where nothing ever grows
No rain or rivers flow
Do they know it's Christmastime at all?

Here's to you
Raise a glass for everyone
Spare a thought this yuletide for the deprived
If the table was turned would you survive?
Here's to them
Underneath that burning sun
You ain't gotta feel guilt just selfless
Give a little help to the helpless
Do they know it's Christmastime at all?

Feed the world
Feed the world
Feed the world

Feed the world
Feed the world
Let them know it's Christmastime again

Feed the world
Feed the world
