

Everybody

Basement Jaxx

Sit tight if you wanna be my Romeo
Sit right if you gonna be my homeo
Rah, watch my face on the video
Hypnotose, breakout, on the radioBreakout
Breakout'Cos I'll be rocking my big fat coat
When I'm in the snow
Make you shout 'Oi, oi' as you watch me go
Can't be spending my time in the shadow
Watch me twist my lime before I pogoRiding slick horse, on the rodeo
Watch the competition fall like dominoesCool it
Who you fooling?
In love with a movie starEverybody
What's your game, what's your game?
Everybody
What's your game?Everybody
What's your game, what's your game?
Everybody
What's your game?'Cos we all got our ups and downs
And we all got our bills to pay
Everybody, everybody
We all struggle everydayMr. Politician
Are you there to help the working man?
Don't let power run away with you
Don't think we can't see through youEverybody
What's your game, what's your game?
Everybody
What's your game?Everybody
What's your game, what's your game?
Everybody
What's your game?[Foreign Content]Everybody
What's your game, what's your game?
Everybody
What's your game?Everybody
What's your game, what's your game?
Everybody
What's your game?[Foreign Content]Everybody
