

# Teddy picker.

## Arctic Monkeys

They've sped up to the point where they provoke  
The punchline before they have told the joke  
Plenty of desperation to be seen  
Staring at the television screen They've sped up to the point where they provoke you  
To tell the fucking punchline before you have told the joke  
Sorry, sunshine, it doesn't exist  
It wasn't in the top 100 list And it's the thousandth time and it's even bolder,  
Don't be surprised when you get bent over,  
He told you, but you were gagging for it Saw it and she grabbed it and it wasn't what it seemed  
The kids all dream of making it, whatever that means Another variation on a theme  
A tangle on the television and a magazine  
D'you reckon that they do it for a joke?  
D'you reckon that they make 'em take an oath?  
That says that "we are defenders  
Of any poser or professional pretender around" When did your list replace the twist and turn like a fist  
replaced the kiss?  
Don't concern us with your bollocks  
I don't want your prayers  
Save it for the morning after And it's the thousandth time and it's even bolder,  
Don't be surprised when you get bent over,  
He told you, but you were gagging for it Let's have a game on the teddy picker  
Not quick enough, can I have it quicker?  
Already thick, and you're getting thicker  
Let's have a game on the teddy picker  
Not quick enough, can I have it quicker?  
Already thick, and you're getting thicker Presuming that all things are equal  
Who'd want to be man of the people  
When there's people like you?
