All For Nothing (Featuring Page Hamilton)

Linkin Park

Yeah, uh
So whatcha waiting for?
Anticipating more
While you debate
What it can take to instigate a war
Yeah, I've been hated more than
Time I wasn't hated for
There's nothing they can fucking say
They didn't say beforeYou could never see it
Your battle's not mine
Wanna skate and play it safe
But this is take a shot time
You waiting for a purpose?
I already got mine
While you tell me "step to it like
One, two, three, four"And if I do what you demand (You say)
You'll let me understand (You say)
You're gonna hold me to your word
And if I sell myself away (You say)
I'll have no debt to pay (You say)
I'm gonna get what I deserveNo more, obey
My debt repaid
Our trust betrayed
All for nothing, all for nothingCame back, there's no other way to say it
So let me break this fucker down for ya'
I really don't know ya'
You talk but let me show ya'
Where to put your paranoia
You joke and I don't half a half a sucker bone to throw ya
I'm disgusted by what can make you tuck your tail below ya
And no, I'm not your soldier
I'm not taking any orders
I'm a five-star general infantry controller
Need a lesson, let me show ya'
Have you checking your composure
While I make you step to it like
One, two, three, fourAnd if I do what you demand (You say)
You'll let me understand (You say)
You're gonna hold me to your word

And if I sell myself away (You say)
I'll have no debt to pay (You say)
I'm gonna get what I deserveAnd if I do what you demand
You'll let me understandNo more, obey
My debt repaid
Our trust betrayed
All for nothing, all for nothing
