

Let the Day Begin

The Call

Here's to the babies in a brand new world
Here's to the beauty of the stars
Here's to the travelers on the open road
Here's to the dreamers in the bars Here's to the teachers in the crowded rooms
Here's to the workers in the fields
Here's to the preachers of the sacred words
Here's to the drivers at the wheel Here's to you my little loves with blessings from above
Now let the day begin
Here's to you my little loves with blessings from above
Now let the day begin, let the day begin Here's to the winners of the human race
Here's to the losers in the game
Here's to the soldiers of the bitter war
Here's to the wall that bears their names Here's to you my little loves with blessings from above
Now let the day begin
Here's to you my little loves with blessings from above
Let the day begin, let the day begin, let the day start Here's to the doctors and their healing work
Here's to the loved ones in their care
Here's to the strangers on the streets tonight
Here's to the lonely everywhere Here's to the wisdom from the mouths of babes
Here's to the lions in the cage
Here's to the struggles of the silent war
Here's to the closing of the age Here's to you my little loves with blessings from above
Now let the day begin
Here's to you my little loves with blessings from above
Let the day begin Here's to you my little loves with blessings from above
Let the day begin
Here's to you my little loves with blessings from above
Now let the day begin, let the day begin, let the day start
