

The Bright Side of Suffering

Scary Kids Scaring Kids

I swear that if I could
I'd take it all, take it all away
All the sorrow and the pain I'm not responsible
You always say but you need your space
And this always ends the same Hey, is your heart still beating?
I can't stop the bleeding
I've lost you completely Hey, gather all the heartache
I'll hold it in my hand
Just to lose it all again If there's a bright side to this suffering
Can you help me see?
It's getting harder to believe You always said that this would not last long
But it's gone on and on and on
And I just can't make it stop Hey, is your heart still beating?
I can't stop the bleeding
I've lost you completely Hey, gather all the heartache
I'll hold it in my hand
Just to lose it all again They're right this time
I won't pretend to smile
Because inside I'm black and I am hollow This time you took this way too far
This time you took this way too far
This time you took this way too far
This time you took this way too far
This time you took this way too far I'm sick and tired
Inside, inside I'm black and hollow
[Incomprehensible]
Inside I'm black and hollow
[Incomprehensible] I'm trying to find
What's missing from my life
And now the tables have turned
And this is only temporary I'm trying to find
What's missing from my life
And now the tables have turned
This pain is only temporary
