

# Hard To See

## Five Finger Death Punch

I'm growing so distant  
Nothing makes sense to me anymore  
I'm learning to resist  
Becoming more than you ever were  
Can't explain what's come over me, come over me  
Can't explain why it's so hard for me, so hard to see your side  
Projecting all my anger  
I can't seem to get this through to you  
The walls are closing in  
I dare you to walk in my shoes  
Can't explain what's come over me, come over me  
Can't explain why it's so hard for me, so hard to see your side  
Your side  
I won't see your side  
Can't explain what's come over me, come over me  
Can't explain why it's so hard for me, so hard to see your side  
Can't explain what's come over me, come over me  
Can't explain why it's so hard for me, so hard to see your side  
I won't see your side  
Your side
