Untamed

Trace Adkins

I like to be a little wild
I like to raise a little cane
I wanna keep it on the edge
And let my restless heart remain untamedI'm gonna live the way I love
And love the way I live
Walk the highest wire
And stay out on the limb
Away from any fences
Free of any chains
Unbound, untied, untamedI only want what I've got comin'
I'll take the credit and the blame
Even when I'm bent and broken
I pray my spirit always stays untamedI'm gonna live the way I love
And love the way I live
Walk the highest wire
And stay out on the limb
Away from any fences
Free of any chains
Unbound, untied, untamedI take no map, I make no plans
I've let go of the reins
I have no rules, I feel no fear
No restraints, untamedAway from any fences
Free of any chains
Unbound, untied, untamed
Untamed
Untamed
Untamed
Untamed
(Untamed)
Ooo waoh
You know untamed
(Untamed)
Ohh untamed
