## Taking Back Sunday

You've got this new head  
Filled up with smoke  
I've got my veins all tangled close  
To those jukebox bars you frequent  
They're the safest place to hide  
A long night spent with your most obvious weaknesses  
You start shaking at the thought  
You are everything I want  
Because you are everything I'm not  
And we lay, we lay together  
Just not too close, too close  
And we lay, we lay together  
Just not too close, too close  
I just wanna break you down so badly  
I trip over everything you say  
I just wanna break you down so badly  
In the worst way  
My inarticulate store bought  
Hangover hobby kit it talks  
It says 'You, oh, you are so cool'  
Scissor shaped across the bed  
You are red, violent red  
You hollow out my hungry eyes  
You hollow out my hungry eyes  
And we lay, we lay together  
Just not too close, too close  
(How close is close enough?)  
And we lay, we lay together  
Just not too close, too close  
(How close is close enough?)  
I just wanna break you down so badly  
I trip over everything you say  
I just wanna break you down so badly  
In the worst way  
I just wanna break you down so badly  
I trip over everything you say  
I just wanna break you down so badly  
In the worst way  
I'm gonna make damn sure  
That you can't ever leave  
No you won't ever get too far from me  
You won't ever get too far from me  
I'll make damn sure  
That you can't ever leave  
No you won't ever get too far from me  
You won't ever get too far from me  
I just wanna break you down so badly  
I trip over everything you say  
I just wanna break you down so badly

In the worst way
