

# One Voice

Billy Gilman

Some kids have and some kids don't  
And some of us are wondering why  
And Mom won't watch the news at night  
There's too much stuff that's making her cry  
We need some help  
Down here on Earth  
A thousand prayers, a million words  
But one voice was heard  
A house, a yard, a neighborhood  
Where you can ride your new bike to school  
A kind of world where Mom and Dad  
Still believe the golden rule  
Life's not that simple  
Down here on Earth  
A thousand prayers, a million words  
But one voice was heard  
One voice, one simple word  
Hearts know what to say  
One dream can change the world  
Keep believing till you find a way  
Yesterday while walking home  
I saw some kid on Newbury road  
He pulled a pistol from his bag  
And tossed it in the river below  
Thanks for the help  
Down here on Earth  
A thousand prayers, a million words  
But one voice was heard  
One voice was heard  
One voice was heard
