

# Last Breath

## Plain White T's

And with my last breath  
I surrender to your attack  
'Cause I would sacrifice my spine  
If that would get you off my back You're somewhere between  
The girl of my dreams  
And the girl of my nightmares  
And it's not fair  
Because I'm nothing but good to you  
And you're nothing but wrong for me So how do I get back to the good times  
And how do I see you in a new light?  
Because the harder I try  
The less we feel right for each other  
How do I get back to the good times? And with my last breath  
I'll thank you for choking me  
Because I'd rather suffocate  
Than have you breathing down my neck Flowers and trees  
We planted the seeds  
But nothin' will grow there  
'Cause we're goin' nowhere  
'Cause I'm nothing but good to you  
You're nothing but wrong for me So how do I get back to the good times  
And how do I see you in a new light?  
Because the harder I try  
The less we feel right for each other  
How do I get back to the good times? What am I fighting for, what am I fighting for?  
What am I fighting for if it ain't you?  
What am I fighting for, what am I fighting for?  
What am I fighting for if it ain't you? What am I fighting for, what am I fighting for?  
What am I fighting for if it ain't you?  
What am I trying for, what am I crying for?  
What am I dying for if it ain't you?
