Have Yourself a Merry Little Christmas

Christina Aguilera

Have yourself a merry little Christmas

Let your heart be light

From now on, our troubles will be out of sight

Have yourself a merry little Christmas

Make the Yuletide gay

From now on, our troubles will be miles away

Here we are as in olden days

Happy golden days of yore

Faithful friends who are dear to us

Gather near to us once more

Through the years we all will be together

So hang a shining star upon the highest bough

And have yourself a merry little Christmas nowHave yourself a merry little Christmas

Let your heart be light

If the fates allow

From now on, our troubles will be out of sight
Have yourself a merry little Christmas
Make the Yuletide gayFrom now on, our troubles will be miles away

Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more
Through the years we all will be together
If the fates allow
So hang a shining star upon the highest bough
