

# 2 Hearts

Kylie Minogue

You make me invisible  
Like sky you make my day  
And I feel so wonderful  
Oh, oh, oh, dont let goIm seeing the dark of you  
It feels like I never saw the sun  
Should I shout for a rescue?  
Oh, oh, oh, dont let go  
Oh, oh, oh, dont let go2 hearts are beating together  
Im in love, Im in love  
Is this forever and ever?  
Im in love, Im in love2 hearts are beating together  
Im in love, Im in love  
Is this forever and ever?  
Im in love, Im in loveLooks good in sunshine  
Well, hold on cause Im coming up for air  
And I cant even see up here  
Oh, oh, oh, dont let go  
Oh, oh, oh, dont let go2 hearts are beating together  
Im in love, Im in love  
Is this forever and ever?  
Im in love, Im in love2 hearts are beating together  
Im in love, Im in love  
Is this forever and ever?  
Im in love, Im in love2 hearts  
Im in love, Im in love  
Is this forever and ever?  
Im in love, Im in love  
2 hearts
