One and Only Lover

Heather Myles

Yesterday you say we're through
Today you're kissing someone new
'Cause I wasn't ready to give my love to you
You only had one thing on your mind
Guess I was a waste of time
But I wasn't ready to give my love to youBut I still wanna be your one and only lover
Dream about us under the covers
I don't want you hugging her and kissing anyone but me
And I can't stand to think about you with another
Wish I hadn't listened to my mother
If I could do it over, I'd give my love to youThat all seems so long ago
I've since married moved to Buffalo
And hear you took a job in New Orleans
Sometimes I wonder if you had regrets
As for me I can't forget
If I could do it over, I'd give my love to you'Cause I still wanna be your one and only lover
Dream about us under the covers
I don't want you hugging her and kissing anyone but me
No, I can't stand to think about you with another
Wish I hadn't listened to my mother
If I could do it over, I'd give my love to you
