

# Still Don't Stop Me

[Jessica Simpson](#)

Advisory - the following lyrics contain explicit language:

I'd like to tell myself  
If you showed up tonight  
I'd tell you to go to hell  
And get on with my life I'd just walk away without a fight  
Without one tear falling from my eye  
I'd like to think that's what I would do  
Yeah, I know that's what I should do But it still don't stop me  
Yeah, it still don't change the truth  
'Cos baby, you got me  
And I can't let go of you I know if I let you back in  
It's the same damn thing all over again  
You'll just hurt me, you'll just hurt me  
But it still don't stop me I'll try to tell myself  
That I'm bad enough alone  
I pulled all your pictures down  
I took your number off my phone I know that it's wrong and the pieces don't fit  
Loving you, baby, will never make sense  
And I know that I'm crazy  
For letting you let me cry But it still don't stop me  
Yeah, it still don't change the truth  
'Cos baby, you got me  
And I can't let go of you I know if I let you back in  
It's the same damn thing all over again  
You'll just hurt me, you'll just hurt me  
But it still don't stop me Oh, it still don't stop me  
Yeah, it still don't change the truth  
Baby, you got me  
And I can't let go of you I know if I let you back in  
It's the same damn thing all over again  
You'll just hurt me, you'll just hurt me  
Oh, you're gonna hurt me, you'll just hurt me  
But it still don't stop me, still don't stop me
