

Looking Hot

No Doubt

Go ahead and look at me
Cause thats what I want
Take a good look wont you please
Cause thats what I wantI know you wanna stare
You cant help it and I dont care
So look at me
Cause thats what I wantDo you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Do you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Go ahead and stare
And take a picture please, if you need, yeah
I think that says it allIm chasing it and I dont know why
I think about it a lot
Better hurry, running out of time
I think about it a lotI cant tell anymore
I dont know what Im looking for
You know what I mean
I think about it a lotDo you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Do you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Go ahead and stare
And take a picture please, if you need, yeah
I think that says it allRunning on empty
But I have had plenty
Youre complimentary but Im just pretending
Uniform, hide behind
This is my diversion
Go ahead and start at my ragamuffinFeel it, so fake it
I dare that you take it
One eye in the mirror
Put on my venera
Could have sworn
Its a sure shot
Are you under my convoy
Go ahead and stare at my ragamuffinDo you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Do you think Im looking hot?

Do you think this hits the spot?
How is this looking on me, looking on me?Go ahead and stare
And take a picture please, if you need, yeah
I think that says it allDo you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Do you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?Do you think Im looking hot?
Do you think Im looking hot?
Do you think Im looking hot?
Do you think Im looking hot?
