

# sillyworld

## Stone Sour

Freedom's just a word today  
Freedom's just a word  
When someone takes your word away  
It's seldom ever heard So take your sentence full of things  
You're not supposed to say  
Carry on but don't write it down  
Or you'll be gone Love is just a song today  
Love is just a song  
When someone takes the song away  
You'll seldom sing along So take those lyrics serious  
And sing your life away  
Carry on, don't write 'em down  
Or they'll be gone All we ever do is talk  
We like to ride but we never walk  
We make it so damn easy  
We get bored Why can't anybody see  
What's good for you is good for me?  
I can't take your sillyworld  
I can't take your sillyworld no more Peace is just two fingers now  
Peace was just a phase  
When someone put it on a shirt  
She nearly killed the days So take those fingers tape 'em up  
And shove 'em up your ass  
And carry on, don't try it now  
'Cause peace is gone All we ever do is talk  
We like to ride but we never walk  
We make it so damn easy  
We get bored Why can't anybody see  
What's good for you is bad for me?  
And I can't take your sillyworld  
I can't take your sillyworld no more We fight our instincts  
We go to extremes  
We fight our instincts  
We go to extremes We fall apart, we fall apart  
We fall apart, we fall apart  
We fall apart, we fall apart  
We fall apart, we fall apart We fall apart, we fall apart  
We fall apart, we fall apart  
We fall apart, we fall apart
