

# Green Lines

[Nico Stai](#)

I'm gonna make you mine  
'cause you're all that I have left  
I'm gonna make you mine  
like needles and regret  
I'm staring at the line  
and you're all that I have left  
so I'm gonna make you mine  
before I forget wouldn't want to be seen with stream green lines falling down on me  
and oh, you better not speak in case the glittering cuts start to follow you  
still I just want to know  
I just want to know  
if it's the last thing I ever do I'm gonna make this thing come true and I don't even breath  
I'm too busy being what they need  
no I don't even speak  
in case it's not what I wanted to here wouldn't want to be seen with stream green lines falling down on me  
and oh, you better not speak in case the glittering cuts start to follow you  
still I just want to know  
I just want to know  
if it's the last thing I ever do I'm gonna make this thing come true
