Leaving Ninety-Nine

Audio Adrenaline

I'm lost and broken, all alone on this road
The wheels keep turnin', but the feelin' is gone
When I fear I'm on my own
You remind me I am not alone
When You saidI'd leave ninety-nine, leave them all behind
To find you for you alone
I'd leave ninety-nine, leave them all behind
To find youIt's dark and lonely and the path is unclear
Can't move my feet because I'm frozen in fear
Then you say, "My child, my child
I am always here, I'm by your side"I'd leave ninety-nine, leave them all behind
To find you for you alone
I'd leave ninety-nine, leave them all behind
To find youYou're never too far down, I promise you'll be found
I'll reach into the mud and mirely clay
Pursue you to the end like a faithful friend
Nothing in this world can keep me awayI'd leave ninety-nine, leave them all behind
To find you for you alone
I'd leave ninety-nine, leave them all behind
To find you
To find you
