

# Simply Irresistible

Robert Palmer

How can it be permissible  
She compromises my principle, yeah yeah  
That kind of love is mythical  
Shes anything but typical Shes a craze youd endorse, shes a powerful force  
Youre obliged to conform when theres no other course  
She used to look good to me, but now I find her Simply irresistible  
Simply irresistible Her loving is so powerful, huh  
Its simply unavoidable  
The trend is irreversible  
The woman is invincible Shes a natural law, and she leaves me in awe  
She deserves the applause, I surrender because  
She used to look good to me, but now I find her Simply irresistible  
Simply irresistible Simply irresistible, shes so fine  
Theres no tellin where the money went  
Simply irresistible, shes all mine  
Theres no other way to go Shes unavoidable, Im backed against the wall  
She gives me feelings like I never felt before  
Im breaking promises, shes breaking every law  
She used to look good to me, but now I find her Simply irresistible  
Shes so fine, theres no tellin where the money went  
Simply irresistible shes all mine  
Theres no other way to go Her methods are inscrutable  
The proof is irrefutable, ooh ooh ooh ooh ooh ooh ooh  
Shes so completely kissable, huh  
Our lives are indivisible Shes a craze youd endorse, shes a powerful force  
Youre obliged to conform when theres no other course  
She used to look good to me, but now I find her Simply irresistible  
Simply irresistible Shes so fine, theres no tellin where the money went  
Simply irresistible shes all mine, theres no other way to go  
Shes so fine, theres no tellin where the money went  
Simply irresistible shes all mine, theres no other way to go Simply irresistible
