

Outlaws

David Lambert

I took you at your word
When you said you would steal my heart
Yeah this might sound absurd
But would you be my thief
Take all of me every part

Love Love Love is my crime
So baby come catch me
And let's do the time
I think we might be outlaws
I think I might be in love
Cause I'm all out of reasons
Like seasons
Winter, summer, fall
They're all washed up
If you're still way over there
Maybe slide on in by my side
Cause I'm just an outlaw
Wanted If you want me
I love you every day and every night
Oh woah

Look me up for good
Right here in your arms
You've vandalized my neighborhood
With your piercing eyes and devilish charm

Love Love Love is my crime
So baby come catch me
And let's do the time
I think we might be outlaws
I think I might be in love
Cause I'm all out of reasons
Like seasons Winter, summer, fall
They're all washed up
If you're still way over there
Maybe slide on in by my side
Cause I'm just an outlaw
Wanted If you want me

I love you every day and every night
Oh woah

Love Love Love is my crime
So baby come catch me
And let's do the time
I think we might be outlaws
I think I might be in love
Cause I'm all out of reasons
Like seasons Winter, summer, fall
They're all washed up
If you're still way over there
Maybe slide on in by my side
Cause I'm just an outlaw
Wanted If you want me

Baby we're just outlaws
Baby I'm so in love
Cause I'm all out of reasons
Like seasons winter, summer, fall
They're all washed up
If you're still way over there
Maybe slide on in by my side
Cause I'm just an outlaw
Wanted If you want me

I'm just an outlaw
Wanted if you want me
I love you every day and every night
