

# Can't Take My Eyes Off You

Barry Manilow

You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak But if you feel like I feel  
Please let me know that it's real  
You're just too good to be true  
Can't take my eyes off of you I love you, baby  
And if it's quite alright  
I need you, baby  
To warm a lonely night I love you, baby  
Trust in me when I say  
Oh, pretty baby  
Don't bring me down, I pray Oh, pretty baby  
Now that I found you, stay  
And let me love you, baby  
Let me love you You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you I love you, baby  
And if it's quite alright  
I need you, baby  
To warm a lonely night I love you, baby  
Trust in me when I say  
Oh, pretty baby  
Don't bring me down, I pray Oh, pretty baby  
Now that I found you, stay  
I love you, baby  
Trust in me when I say, oh I love you, baby  
And if it's quite alright  
I need you, baby
