

Hungry Lion

Hungry Lion (Lyrics: Lenn; Music: Ross, Lenn, Maresca)

You know you might have hurt me once
But was it all just a game
For all that passion we did share
You know I never even knew your name
But when you were close to me
And I was lying still
Like a hungry lion
You moved in for the kill

Like a hungry lion on the prowl tonight
How long have you hunted to get me in your sights?
Like a hungry lion stalking through the night
How long have you hunted to get me in your sights?

Now Iâ€™m not one to look back and cry
I have no regrets
â€™Cause of what we shared that night
The first time that we met

Like a hungry lion on the prowl tonight
How long have you hunted to get me in your sights?
Like a hungry lion stalking through the night
How long have you hunted to get me in your sights?

So now Iâ€™m the only one
It feels good this way
Honey I couldnâ€™t live without you
Not another day, no

Like a hungry lion on the prowl tonight
How long have you hunted to get me in your sights?
Like a hungry lion stalking through the night
How long have you hunted to get me in your sights?
