No Another Time

Lynn Anderson

Two times up and three times down
Everybody knows that's the way to drown
And then it's too late to swim to the shore
And this'll be the third time you've left me for herAnd there ain't gonna be no another time
There ain't gonna be no another time
When you leave you'd better pack
'Cause you ain't comin' back
There ain't gonna be no another timeLet me further explain what I'm a-talkin' about
Three strikes baby and then you're out
You've already had two swings at the ball
There's just one more and I'm afraid that's all'Cause there ain't gonna be no another time
No, there ain't gonna be no another time
When you leave you'd better pack
'Cause you ain't comin' back
There ain't gonna be no another timeI've always heard about the third time charm
And this is trip number three you've made to her arms
I hope you'll find what you're looking for
'Cause I'm changin' the lock on my front doorAnd there ain't gonna be no another time
No, there ain't gonna be no another time
When you leave you'd better pack
'Cause you ain't comin' back
There ain't gonna be no another timeAin't gonna be no another time
No, there ain't gonna be no another time
When you leave you'd better pack
'Cause you ain't comin' back
There ain't gonna be no another timeThere ain't gonna be no another time
No, there ain't gonna be no another time
When you leave you'd better pack
