

White Boy (Dance Mix)

Culture Club

Black boys employ Selassie
We kiss we define
White hands white hearts
The gender
How can I make you mine

Take me to god
In a world of blank kisses
Who breaks the colors
I know what this is
A one man show
That's how we know
That's how we know
Your white does the blood flow

[Chorus:]
Your white dance like an enemy
Your white dance like an enemy
Your white dance like an enemy

White boys fall out
In a whirl of decisions
Show me what is
Then show me what isn't
A heart too slow
That's how we know
That's how we know
Your white does the blood flow

[Chorus]

You're so white

You're so white
White boy [Repeat: x6]

White boy dance
Do something sweet
Like pull my heart
Like use your feet

Like steal some culture
Let's fake this dance
A white boy kiss
A white boy chance
Don't take me over
Abuse my heart
When I change color I'm here stop start

Hey devil kiss me
I'm taking chances
Not faking my culture
The rhythm it dances
I love your wisdom
I love your mind
White boys are baby's (not my kind)
This lust in fashion
That's my sin
By falling out
We're falling in
Now I'm broken
Watch it flow
I'm taking over
Can't let go (falling out with the bad boys)
