

# Forget the Past

**Faron Young**

Here I am again do you remember me  
I'm the one you turned to when he set you free  
Now just like you the love I had did last  
Will you help me like I helped you forget the past. Give me a little smile help me forget a while  
Just a little word or two I don't know what I'm gonna do  
Oh here I am again with love that didn't last  
Will you help me like I helped you forget the past.--- Instrumental ---Here I am again just like you said I'd be  
I remember when you said she'd set me free  
I guess you knew the love we had wouldn't last  
Will you help me like I helped you forget the past.
