Girl

Calvin Love

You know you got it when you find yourself a girl
So beautiful, dreams spinning wild girl
I can't keep my eyes off you girlA sight for sore eyes, a fight for your look
You got me now, that's all it took
Let's leave this room, follow the moon
I hear the south is warm, take me soonDo you know you've got it made when you find yourself a girl
Always searching for a new spinning world girl
So beautiful dreams spinning wild girl
Can't seem to keep my eyes off you girl
A sight for sore eyes, a fight for your look
You got me now, that's all it took
Let's leave this room, follow the moon
I hear them, take me soon
