

# 4th Quarter: Free Throws

## KRS-One

Listen to the lyrics we are the one's prophesied to return  
My main concern is for all of you to learn  
How to live, yes through the lyrics I give and send my friend  
This age is coming to an end Not the world, but the age is ending, ending  
Listen to the astrological message I'm sending, I'm sending  
Truth is truth, whether or not you like me  
We are living now in the Age of Pisces But Pisces is over, at the year two thousand  
When the Sun of God, changes his house and  
Enters the Age of Aquarius  
The Sun of God as man is hilarious When you think of Jesus, think of the Sun  
The flaming Sun, that's where they stole this concept from  
Stop believing and read your Bible logically  
The New Testament is really old astrology Jesus is the Son of God no lie  
But they might be talking about the Sun up in the sky  
The Sun, that hangs on the cross of the zodiac  
The zodiac with twelve signs to be exact Each sign is a house, and you should keep in mind  
Each house equals, a period of time  
The time, two thousand years and that's a fact  
It's called an age or a house in the zodiac The twelve disciples, are twelve months of reason  
The four gospels signify the four seasons  
When Jesus fed the multitude with two fishes  
It signified the Age of Pisces, not fish on dishes If you read the Bible astrologically it's clearer  
The next age will be the age of the water-bearer  
It's called the Age of Aquarius  
When logic and truth will take care of us So in this age, of spiritual dignity  
You'll see a rise in femininity and creativity  
Meshed with masculinity, you got to get with me  
This is your true her-story  
Do you wanna go higher?
