

Conflict

Foe G4ng

Why y'all talking all this shit but y'all don't even know us D bred already we some 4 or 5 soldiers tay pull up with that tool make em move we gon fold ya you better keep distance we still from the should most settled in new chapa said it like we in know run is mouth like a hoe hit is ass with that pole and we don't do no talking nigga you how it go slump a nigga at a party watch his body hit the floor niggas really ain bout shit bring em to his front door push his head up to his face now what u know bout that foe we be about that action but we keep it on the low get to pooping at yo noggin send them bullets through his fro now let's get on the females explain these hoes in detail how we beat that lil pussy unless it got that ooh weed smell u know that I'm dog and u know I quick to ditch but I will not stroke her twice if her pussy smell like goddamn I can't relate met bitch that smelt like piss had kick her ass out cuz she a nasty lil bitch but I met a lil bit and she wanted me to hit pussy smelt like water so I nibbled on that clit yea don't gimme wrong all these females ain't trash met a girl from west side fell in love wit her ass my nigga Tay u tripping you know that we dick and pass cuz these hoes ain't worth shit and they ain got no class wait how da hell I'm tripping u gotta song got dream girl everytime I'm looking for u yo ass be in dream world u gotta point yea but she ain a boring bitch you would the same if u had a foreign chick think of foreign chick imma need a foreign whip we getting paid and getting laid cuz we about that conflict my bitch been tripping hard bitching bout sum dum shit she gon be alright tonight after she gets this bom dick imma be alright to after I get this paycheck g 4 n g yea bitch we made that I with u on that to Ian worried bout no opp cuz a nigga got to talking when a nigga got shot yea them niggas started snitching after they nigga popped never talk to no cops and we ain't gone start now member we was flexing hard tryna punch down a lane then u stole off on that nigga at high tide wit gang remember on the other side we was tryna do a murder caught one and punched is ass up in whataburger yea he was tryna grub caught him waiting in the line had em running to the workers you know for get down 45 clip we getting started cuz u know that we retarded he was talking down on Twitter caught his ass out side departed my niggas get retarded tho why people say we knowledge we dem niggas round the city hotter than the damn safari and the other nigga hating cuz they clips be so outdated shout-out to them people with and fuck them hoes I once dated fuck them hating nigga to we bothered out a dissing the 4 in they mouth but they bitches we be hitting and when the tape drop me and my brother gone do number we gone keep on hard till they put us 6 feet under we spaz every track and for we the mix tap and I know that u fucking with it and I know it's worth a wait gang they don't want no conflict these boys don't want no conflict gang in this bitch real gang members bitch
