

Love Letter

Clairy Browne & The Bangin' Rackettes

(ooh, ah yeah, love letter)

(Woo! ah!)

I'm gonna write what I want you to do to me in a letter

(ooh, ah yeah)

I'm gonna write it for good or for bad or for worse or for better

(ooh, ah yeah, love letter)

I'm gonna write it for you so that you can be my lover

(Be my lover, ooh!)

'Cause when it is yours I am yours baby now and forever

(ooh, ah yeah, love letter)

Oh

(read my letter)

won't you help me get out

(be my lover, love letter)

Oh won't you help me get out of my head

MY roommate's light is on but you can forget her

(ooh, ah yeah, love)

'Cause tonight is the time that we're knowing each other better

(ooh, ah yeah, love letter)

I'm gonna write what I want you to do to me in a letter

(Be my lover, ooh!)

I'm gonna walk through the sky until I find a feather

(Ah yeah, love letter)

Oh

(read my letter)

won't you help me get out

(be my lover, love letter)

Oh won't you help me get out of my head

I'm gonna write you a letter

(oh oh baby)

For good or for bad or for better

(You believe me darlin')

Darlin' I'm yours once you've read it

(I'm yours)

Never ever forget it

Oh I'm gonna write you a letter
For good or for bad or for better
(Woo!)
'Cause when it is yours I am yours baby now and forever
(ooh, ah yeah, love letter)

Oh
(read my letter)
won't you help me get out
(be my lover, love letter)
Oh won't you help me get out of my head

Darlin' I'm yours once you've read it
(ah yeah)
Never ever forget it
(ooh, ah yeah, love)
For good or for bad or for better
(ah yeah)
I'm gonna write you a love letter
