

# Candy Cigarette

## Boy in Static

Three PM and she's under the covers  
Dumpster breath she's my hungover lover  
Strong as steel, four olive martini  
Hand on her head and one on my weinie

She's in bed, she's suckin' on a candy cigarette  
She's in bed, she's suckin' on a candy cigarette  
She's in bed, suckin' on a candy cigarette  
Suckin' on a candy cigarette

Three PM and we're slow to recover  
We're hangin' out and well hungover  
This Ernie Steele's makes a mean martini  
So pass the fire and light me sweetie

She's in bed, suckin' on a candy cigarette  
She's in bed, she's suckin' on a candy cigarette  
She's in bed, suckin' on a candy cigarette  
Suckin' on a candy cigarette
