

# I'm Not Moving (2015 Remastered)

Phil Collins

If you feel it do it,  
You don't need a reason  
For all you know it could be good for you To show your feelings (oh)  
Ooh, don't just leave them  
Do the things you believe in, it's alright  
Don't worry turn around (don't worry turn around), I will still be here I'm not moving (I'm not going anywhere),  
don't worry  
Are you just trying and push me out (just trying)  
No, I'm not moving (I'm not going anywhere)  
No, I'm not going anywhere tonight If you think it, say it (oh)  
No-one can stop you  
Don't keep quiet, just 'cause you think you ought to  
Feel free to shout it loud, speak your mind, spit it out Oh, I'm not moving (I'm not going anywhere), don't worry  
Are you just trying and push me out (just trying)  
No, I'm not moving (I'm not going anywhere), don't worry  
Ah, there's no hurry, I just sit it out  
So don't worry turn around, I will still be here If it hurts don't do it (oh)  
'Cause no-one can take you make you drink  
And no-one can tell you what you think  
Remember if your spirit starts to sink  
Don't you worry turn around, I will still be here
