

Cupid

Alexandra Savior

Fell in a hole in the road
We were speaking in code
Stuck in fantasy mode
Whoever really light
Coming back down to Earth
It's not that it hurts
It was just so much worse
With anyone but you
know a short cut [?]
a shore shot [?]
I forgot
How it ought to feel
I don't know what to do...
You don't [?]
Don't hold back
You know that
Cupid Shoots To kill There's a mysterious force
It sinks and its close
Holds me close into yours
So cosmic businnes
I [??]
What are we waiting for
Never hated you more
Why does nobody but you
know a short cut [?]
a shore shot [?]
I forgot...
How it ought to feel
I don't know what to do...
You don't walk
Don't hold back
You know that
Cupid Shoots To kill Ohh...
Know a short cut [?]
a short shot
I forgot...
How long its been [?] I don't know what to do...
You don't walk [?]
Don't run [??]

You know that
Cupid Shoots To kill
